

Your letter has just come. Debora
will do every thing right about Roxbury.
Linn did right. W. goes out to Roxbury now.
I would have written had I had time
but will write tomorrow. Your letters are open
to the first who gets them, so you will act
accordingly. A. Kelly did gloriously.
A meeting of our Female Soc occurs this afternoon.
We are all going to Mr Southwick's this evening.
I have just written to A. E. Weld. All were
at Weymouth. I will write at length.

Yrs ever Anne
Love to all. To Hyde specially
